IMPORTANT NEWS

Chapter Dues Are Increasing!
E-Board Retreat Recap Coming Soon!

Starting November 1st, the price of our membership dues will be increasing from $15 to $20! Please be sure to pay your dues before then to avoid the price increase!

Earlier in October, our E-Board celebrated our finalized E-Board with a retreat and photoshoot! Watch out on our Instagram for a recap of the retreat to learn more about all of our board! Coming later this month will be an introduction to all of our zones and its members, so keep an eye out!

COMMUNITY UPDATES

Welcome In and Welcome Back!

To all incoming students, welcome into your first year at the University of Pittsburgh! We at the National Society of Black Engineers - Pitt Chapter (Pitt NSBE) are here to provide community, mentorship, professional development opportunities, and support as you progress through your first year here. And to all of our returning members, welcome back! We hope to continue to be a space that you can trust and rely on. Be sure to stick with us to see all of the exciting things we have planned for this year! Follow our Instagram @PITT_NSBE and our website pittnsbe.org as we continue to post updates!

Study Sessions are Ongoing!

With the final rounds of midterm exams coming up, closely followed by the Fall Final Exam Week, come to our weekly study sessions for a space to work on your homework, ask questions to your peers, and get some support! At the beginning of the month, expect the schedule for study sessions to be posted in our GroupMe, Instagram page, and our website! Each study session is also worth 2 membership points, so be sure to attend!

Upcoming Events & Programs Calendar

Here is a detailed look at our upcoming schedule.

NOV 5 PITT x CMU Pre-FRC Session

Get ready for the Fall Regional Conference by attending the Pitt x CMU Pre-FRC Session! Join us to practice our chants, learn more about the conference, and ask any questions you may have! See you November 5th, at 5:30 PM!

NOV 11 Nationals Info Session

November 11 will be an info session to learn more about the annual National Conference! Come in to learn more about Nationals, what the conference entails, how to purchase tickets, and more! If you are unable to make it, please reach out if you are still interested in attending Nationals and would like to learn more! See you there!

NOV 18 GBM: Thanksgiving

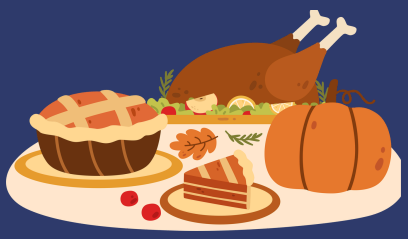

November 18, 7PM, will be our Thanksgiving General-Body Meeting! Come in to relax before Thanksgiving break and play some fun games! Be sure to be there!

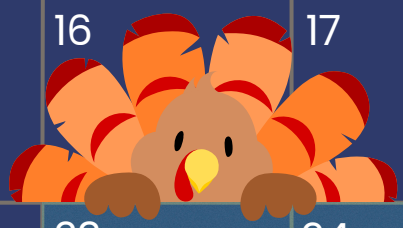

View our calendar on the next page for a look ahead at November!

MEMBER OF THE MONTH

Temi Ogundare

CO-FUNDRAISING CHAIR

Our next Member of the Month for the 2026 - 2027 academic year is Temi Ogundare, our Co-Fundraising Chair from the Finance Zone of Pitt NSBE! Temi is a sophomore Industrial Engineering major. Temi has done excellent work in planning and orchestrating fundraising events to raise money for our chapter for future events, showing her passion for our chapter!

MONTHLY CROSSWORD

Across

[1] What is happening on November 6 - 8?

[4] How often are our general-body meetings?

[6] What floor is the lounge on within Benedum Hall?

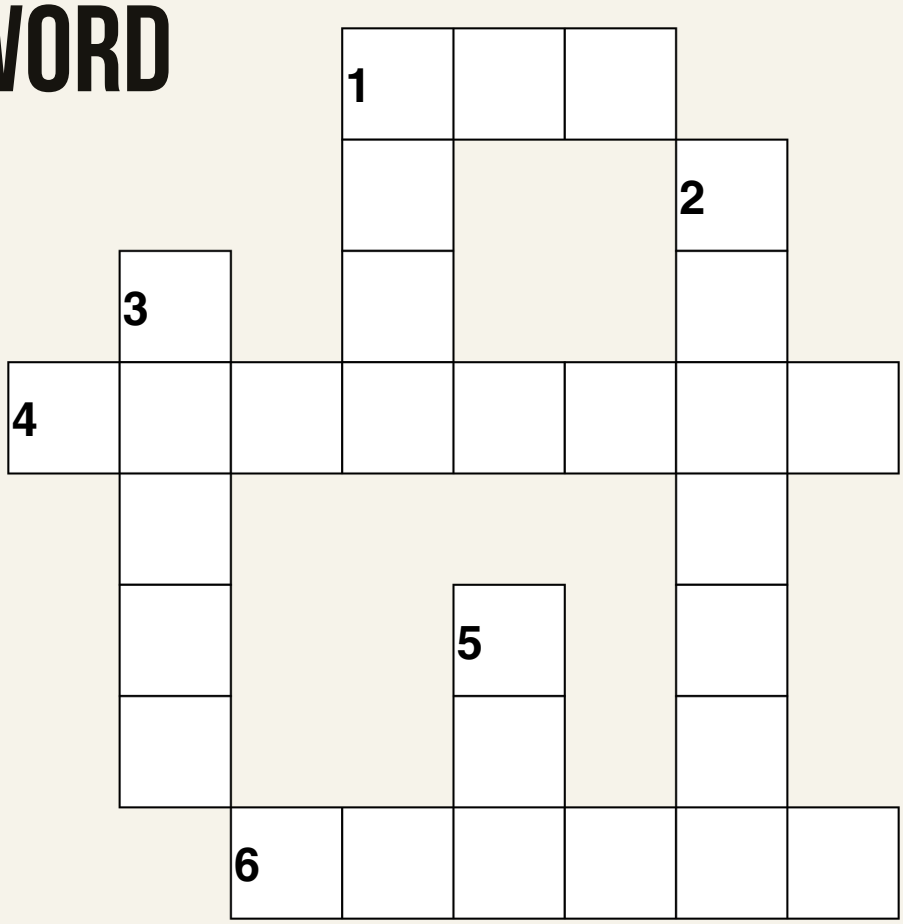

Down

[1] How many membership points do you get for completing the crossword?

[2] Where do study sessions most often take place?

[3] What is the number of active members according to our website?

[5] What region are we in?

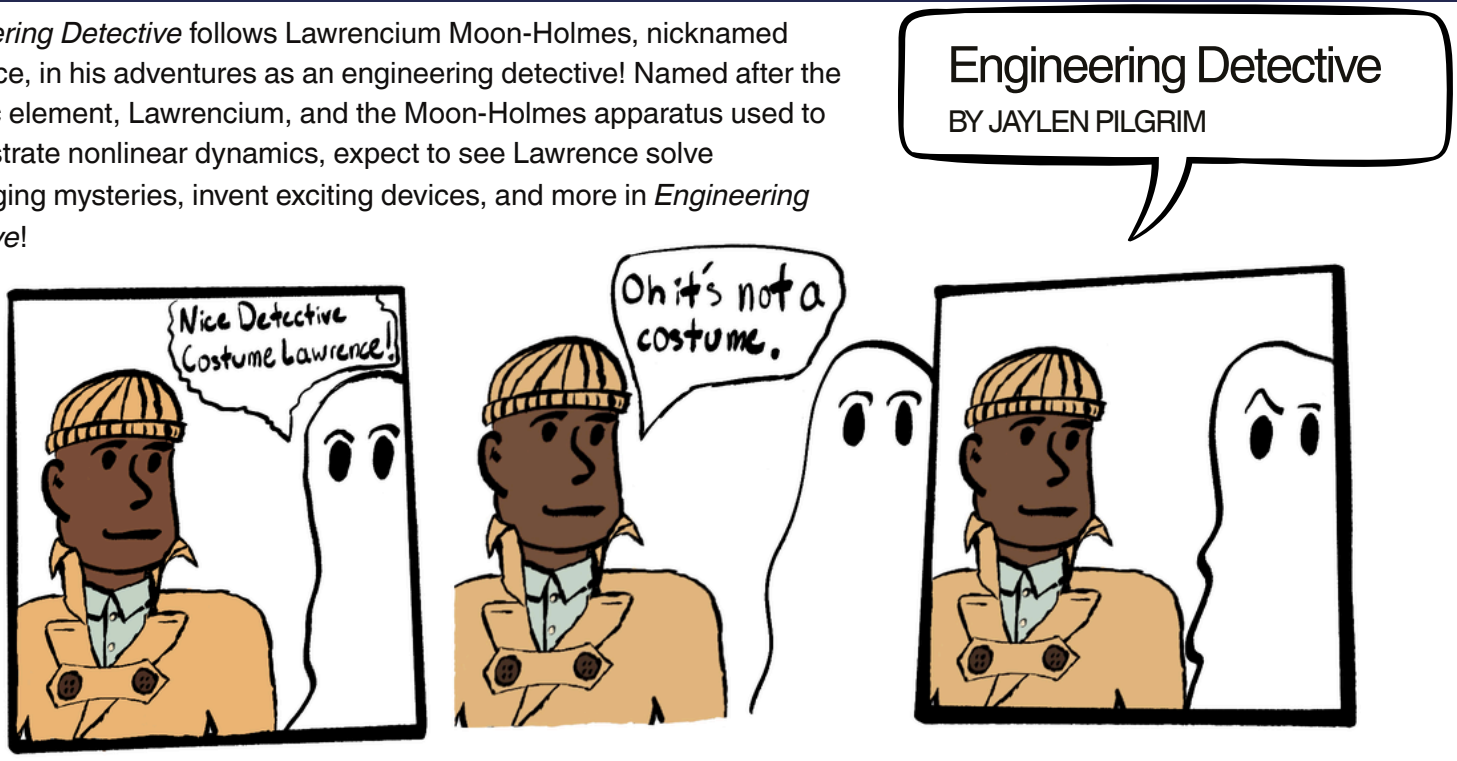

Copyright © 2026 crosswordspin.com | For personal use only.

If you complete the crossword and email your solution to publications.pittnsbe@gmail.com with your name before November 29, you will receive 5 membership points!

PITT NSBE CREATIVES

Pitt NSBE Creatives will act as a place for you to show off your creative talents! Whether it's poetry, short stories, artwork, comics, etc., email publications.pittnsbe@gmail.com with your submission! Students with selected submissions will receive 5 membership points!

Engineering Detective follows Lawrencium Moon-Holmes, nicknamed Lawrence, in his adventures as an engineering detective! Named after the periodic element, Lawrencium, and the Moon-Holmes apparatus used to demonstrate nonlinear dynamics, expect to see Lawrence solve challenging mysteries, invent exciting devices, and more in *Engineering Detective*!

COMMUNITY SPOTLIGHT

Professionalism: See Our Professional Events from October:

See our professional development events that we hosted in October!

FRC Info + Chants GBM

OCTOBER 7

On October 7, we hosted our Fall Regional Conference Info Session, where students were able to learn more about the Fall Regional Conference and practice our regional, zone, and chapter chants! Get ready to hear our chants at FRC!

Turner Construction Visit

OCTOBER 13

October 13 marked our company visit with Turner Construction Company! We were able to learn more about the construction industry, as well as Turner Construction Company, followed by a Q&A session! Thank you to Turner Construction Company for coming in to talk with us, and thank you to all who attended for coming!

Professional Panel GBM

OCTOBER 21

On October 21, we hosted a professional panel where students were able to learn more about how to be professional in a conference setting! Students were able to get their resume/CV reviewed by their peers and practice their elevator pitches! Thank you to everyone who came, we hope you found it useful in preparation for FRC!

LOOKING TO GET INVOLVED?

New Committees

This year, we plan on having more ways for students to get involved in our chapter. As a result, we now have three new committees for students to get involved in: Membership Committee, Fundraising Committee, and Communications Committee!

Students wanting to get involved with planning events and general meetings for our chapter should look to the Membership Committee led by our Vice President, Austin Moody.

Students wanting to get involved in planning and organizing fundraising events should look to the Fundraising Committee led by our Treasurer, Preston Gardener.

Students wanting to get involved in our chapter's social media and website should look to the Communications Committee led by our Secretary, Khylee Hollins-Greene.
